**Change Admit Term**

If a student 1) is admitted for FALL and wants to begin in SUM or 2) is admitted for SUM and decides to wait until Fall, then use Teams Chat to contact Deidra Dutschmann. She will change the term and respond back as soon as possible.

---

**Registration Holds**

BMV holds are set to July 2023 and will not impede Fall registration.

The only Census hold (RC) is date of birth, and students should:

- Go to the BearWeb [bearweb.baylor.edu](http://bearweb.baylor.edu)
- Login to BearWeb by entering your Bear ID, Password, and Duo Authentication
- Select Personal Information tab
- Update missing Information => Save

**SCIENCE PREREQUISITES**

**BIO 1305-1105 Modern Concepts of Bioscience**

No prerequisites.

**BIO 1306-1106 Modern Concepts of Bioscience, Cont.**

Must complete BIO 1305/1105 with C or better.

---

**CHE 1301 Basic Principles of Modern Chemistry**

A score of 580 on the SAT math, 24 on the ACT math, or a minimum mastery score of 85% at the conclusion of the ALEKS module. Completion of high school chemistry highly recommended.

---

**Modern Language Placement Exam (MLPE)**

The score shown in Banner for the SPA, FRE, or GER placement exam is the course number in which the student has been approved to begin.

The placement exam is required if a student wishes to register for a beginning course in Spanish (SPA 1301); however, students can register for the beginning course in French or German without the placement exam.

For advanced placement in languages other than FRE, GER, or SPA, students should contact the division director for that language. The MLPE is available online to new or current students. [https://www.baylor.edu/imlc/index.php?id=955736](https://www.baylor.edu/imlc/index.php?id=955736)

**Math Placement**

No placement needed for MTH 1301, 1308, or STA 1380.

Access to ALEKS for Math is available via a link in goBaylor and on the Baylor Course Placement web page. Scores are loaded into Banner and serve as the prerequisite when eligibility is reached.

New students who have taken ALEKS elsewhere and achieved the necessary scores may contact the math department for an override. Messages have been sent continually through the spring to remind students to complete ALEKS before they schedule their advising appointments.

**MTH 1321**

- ALEKS: 80 or higher
- RSAT Math: 650 or higher
- ACT Math: 27 or higher
  - “B-” or better in MTH 1320

**MTH 1320**

- ALEKS: 61-79
- RSAT Math: 550 or higher
- ACT Math: 22 or higher

**MTH 1309**

- RSAT Math: 620 or higher
- ACT Math: 26 or higher
- C or higher in MTH 1320 or MTH 1308

*Any student receiving 95% or higher on ALEKS Math, SAT Math ≥ 710, or ACT Math ≥ 31 may register for MTH 1321-H. Advisors may provide a pre-requisite override for students who qualify.*
