

Office of Prehealth Studies - Summer Advising/Registration 2026

Quick Reference Sheet

Prehealth Pre-Professional Educational Goals (Designators)

Pre-Medical
Pre-Dental
Pre-Occupational Therapy
Pre-Optometry
Pre-Pharmacy
Pre-Physician Assistant
Pre-Physical Therapy
Pre-Veterinary Medicine

Prehealth Designation

It is important that students wishing to pursue a Prehealth program be properly designated, regardless of major and concentration. Any advisor may add the requested Prehealth designation as a 'Pre-Professional Educational Goal' in UAS. Students without a designation will not receive communications from the Prehealth Office.

All incoming students are eligible for all Prehealth designations. Advisors may add/remove/change a Prehealth designation upon student request.

Earle Hall Optional Courses

- Only for students confirmed as living in Science & Health LLC (Earle Hall).

BIO 1305-04	MW 4:00-5:15pm	Dr. Harvill
CHE 1301-05	MW 2:30-3:45pm	Dr. R. Klausmeyer
CHA 1087-120	M 9:05-9:55am	CRN: 48540
	- or -	
CHA 1087-121	M 10:10-11am	CRN: 48541

Online BIO/CHE/PHY Classes

Prehealth students should *not* register for online Biology, Chemistry, or Physics courses. All science courses should be taken face-to-face. If a student insists on taking an online section of a science class, make sure to document that it was student's choice and against advisor advice.

New Student Experience (NSE) Courses for Prehealth Students

PHP 1105-N1 (CRN: 34028)– Foundations of Medicine

- Pre-Med students only

PHP 1105 - N2 – Foundations of Medicine (Hallie Earle Scholars)

- Exclusive Section for **Hallie Earle Scholars**
- Permits currently being entered. A final list will be sent out by 5/1.
- Will be tagged **FGPH** in Banner and Navigate.
- Currently 10 open spots. Contact Mindy Calvillo via email or Teams to add eligible students.
- First-generation college student = parents did not graduate from a 4-year college or university in the United States
- Email Mindy_calvillo@baylor.edu with questions.

PHP 1106-N1 (CRN: 45647) – Intro to Health Professions

- Pre-Dent, Vet, PA, PT, OT, Opt, & Pharm
- Any student interested in exploring health professions.

PHP 1V9R: Laparoscopy Lab and Clinical Skills Course (CSC)

Restricted to Science & Health LLC (Earle Hall) residents. Application will be sent to residents over summer, and those accepted will be notified via Baylor email. If a student expresses interest in these programs, try to leave Friday 2:30-3:20pm open on their schedule for ease of later registration.
